

## Examination Enrollment Procedure for Santi Maha Sangha Teacher Candidates

1. The candidate must have successfully taken the SMS exam at the corresponding level.
2. The candidate should address the request for admission to the Gakyil of his/her own Gar using the relevant form **SMS-Teachers-Examination-Form 2017** that can be downloaded here:

<http://dzogchencommunity.org/santi-maha-sangha/>

3. The Gar Gakyil, having verified that the candidate is current on membership fees and has regularly paid them at least from year of the Base exam, and that Karma Yoga collaboration has been satisfactory, must also express an opinion on the candidate's capacity to relate positively to Vajra brothers and sisters. The Gakyil, after consulting the SMS coordinator of the Gar, should express a collective opinion, rather than an individual opinion of each member, stating clearly whether or not they support the candidacy.
3. The Gakyil should forward the candidate's request, together with its own reflections on the candidacy, to the SMS Coordination Center at [sms@dzogchen.net](mailto:sms@dzogchen.net). The Center, in turn, will send the application to the Master and to the Gakyil of the Gar where the exam will take place. One month before the examination, the Gar where the exam will take place should present the complete list of candidates to the Master.
